

Why Join or Renew Membership with Christchurch Chamber?

Who are we?

The Christchurch Chamber of Trade and Commerce prides itself on championing the interests of businesses within Christchurch, enabling them to grow and thrive. We provide a network that encourage businesses to connect, belong, and succeed.

Who do we represent?

We represent all our members at regular meetings with BCP Council on key issues which affect the business life of the town. We also focus on Town Center Strategy discussions, which formulate policy for the future of the locality, as well as representing Christchurch as a tourism destination.

What do we do?

We organise a variety of social functions offering members the chance to network and connect. In addition, we provide monthly informative seminars which utilise business expertise to promote more effective business working. Within the last few years, we have orchestrated the car park refund scheme, secured the £1 for 2 hours parking initiative and Wick Lane parking permits, to increase footfall into the town. We have introduced The SHOPLINK radio system to create a better retail network. The Chamber is also the lynchpin for the forthcoming Business Improvement District scheme.

Morning Motivators

Monthly seminars from local experts and business leaders. Learn skills to develop your business, plus the opportunity to connect and network.

5 O'Clock Club

A networking event on the first Thursday of each month, free for members to attend.

Connections

Platforms for members to connect via our website, Facebook, Twitter & LinkedIn to share offers and promote their businesses to a wider audience.

Your Voice to the Council

Representing sole traders and SME's to help resolve issues.
